## How to get there:

**If you use a wheelchair, West Sutton station does not have step free access. Sutton station is accessible.**

**By train:** West Sutton railway Station is next to the football ground. Thameslink trains run via Wimbledon or Sutton. Come out of West Sutton station and turn right into Gander Green Lane and the football ground is about 100 yards further along.

**By bus:** **413** towards Morden **from outside Sutton police station** to Gander Green Lane. The bus will stop on request anywhere in Gander Green Lane.

When you get to the football ground, follow the buildings round to the right past the car park. There will be signs to help you find the way.
